It is strongly recommended that an instrument case containing an instrument rack be your first purchase. This will ensure the proper safe-keeping which your instruments deserve.

Our stainless steel instrument cases are designed to hold the range of interchangeable instrument racks available to order in G7 Catalog on page 471.

THE CASE FOR EXCELLENCE...

Would you trust your precision microsurgical instruments in anything less? Forged from the finest stainless steel, designed for convenience and total protection, this is the ultimate instrument storage and case.

- *Unique silicone rubber finger mat protects the delicate tips of microsurgical instruments.*
- *Convenient detachable top.*

ASSI.ICFM2326
Instrument Storage Case 26x24x2.5cm.

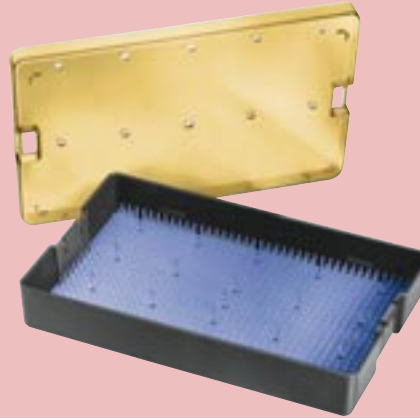

Instrument Cases
